Dear Hiring Manager,

I'm Esmatullah Akbari, a multifaceted professional based in Herat, Afghanistan, with expertise in education, administration/supervision, communication, MEAL (Monitoring, Evaluation, Accountability, and Learning), research, data collection and web development. With a strong foundation in English language instruction and academic leadership, I've also contributed to organizational growth through administrative coordination and results-based monitoring systems. My experience in communication and MEAL has helped me ensure transparency, impact assessment, and community engagement in development projects.

Alongside my work in education and humanitarian sectors, I'm passionate about technology. I've developed several websites using HTML, CSS, and JavaScript, and I enjoy using my technical skills to design innovative tools and solutions for educational and community development.

I'm always eager to learn, grow, and contribute to meaningful, multidisciplinary projects that make a difference.
